## FOR IMMEDIATE RELEASE

### STATE ROUTE 12 FINAL PAVING TO BEGIN THIS WEEK DAILY 16-HOUR CLOSURES SCHEDULED

**Solano County** – The California Department of Transportation, Caltrans, announces that the State Route 12 (SR-12) Paving Rehabilitation and Improvements Project is nearing its final stage of construction. This project, which began in March 2009, has widened the highway to provide standard shoulders, has reduced both vertical and horizontal curves, and will now receive new paving from just east of Lambie Road to Currie Road between Suisun City and Rio Vista.

Grinding and paving will occur between October 13, 2010 and October 29, 2010, weather and conditions permitting. Please see the chart below for specific closure times and locations.

Date	Location	Hours	Closure/Detour
Wednesday 10/13	Between Currie Rd and SR-113	6:00 pm to 12:00 midnight	One-Way Traffic Control*
Thursday 10/14	Between Currie Rd and SR-113	8:00 am to 12:00 midnight	One-Way Traffic Control*
Friday 10/15	Between Currie Rd and SR-113	8:00 am to 3:00 pm	One-Way Traffic Control*
Friday 10/15	Between SR-113 and Olsen Rd	6:00 pm to midnight	One-Way Traffic Control*
Saturday 10/16 & Sunday 10/17	Between SR-113 and Olsen Rd	8:00 am to 12:00 midnight	One-Way Traffic Control*
Monday 10/18 through Friday 10/22	Between Lambie Rd and Olsen Rd	8:00 am to 12:00 midnight	Detour available*
Saturday 10/23 & Sunday 10/24 (if needed)	Between SR-113 and Olsen Rd	8:00 am to 12:00 midnight	One-Way Traffic Control*

# TRAFFIC ADVISORY

Cont.

**One-Way Traffic Control:** Only one lane will be open during construction. Construction vehicles and flaggers will guide motorists through the construction zone. Delays are anticipated.

**Detour:** Motorists may be directed to detour to at either Shiloh Road or Olsen Road during construction. Direction signs will be posted.

Construction activities will not impact access to the Western Railway Museum weekend events. Motorists are encouraged to travel Interstate 5, Interstate 80, and State Route 4 as alternative routes as delays are anticipated. During the one-way traffic control lane closures, vehicles may be stopped on the highway waiting for their turn to proceed through the construction zone. Motorists are asked to drive with extra caution and watch for construction vehicles merging into the lanes of traffic. The speed limit in the construction zone is either 35 mph or 45 mph, depending on the location, and the traffic fines are doubled along State Route 12 in this area. Increased patrol and enforcement from California Highway Patrol Officers is prevalent during construction closures on State Route 12. Caltrans appreciates your patience and understanding as we continue to improve this stretch of highway. Please continue to "Slow for the Cone Zone."
